422

This is a much needed, essential and multifunctional profile. TOTUS allows to light up any room and adapts easily to any project, so long as we use our imagination when using it. It can either be a suspended light over a work surface, a wall lamp for a painting, a mirror light, etc... Adaptable to whatever size is needed, this is the wildcard profile that one ends up using in any project. TOTUS solves your problem before you even know it.
