Industrial Style Lamps

We are happy to introduce the new family of Industrial Style Lamps by GoodNight, created to give interior decorators, architects and designers the lighting and decoration solutions they need. These series was designed to make up spaces that have an industrial, retro or vintage atmosphere, like the ones we often find in restaurants and hotels, but also in private homes.

The Industrial Style Lamps by GoodNight are handcrafted and are finished with a vitreous enamel, porcelain-like coating, that makes them really special.

Nous sommes heureux de vous présenter la nouvelle famille de lampes de style industriel de GoodNight, créée pour offrir aux décorateurs d'intérieur, aux architectes et aux designers les solutions d'éclairage et de décoration dont ils ont besoin. Ces séries ont été conçues pour créer des espaces à l'ambiance industrielle, rétro ou vintage, comme ceux que l'on trouve souvent dans les restaurants et les hôtels, mais aussi dans les maisons.

Les lampes de style industriel de GoodNight sont fabriquées à la main et sont finies avec un revêtement d'émail vitrifié, semblable à de la porcelaine, ce qui les rend vraiment spéciales.
